3. **Contribution to the ICRI GM**

*Your responses to the following questions will assist the Secretariat in assessing contributions towards the major themes of the current ICRI action plan and objectives of the general meeting.*

**a. Community-based monitoring**

Are you engaged in, or support community-based monitoring in your marine areas? If so, think about what works and what doesn’t with it to be prepared for workshop discussions on this topic. The discussions will revolve around:

- The benefit of community-based monitoring for management and reporting
- Way forward and how countries could support each other through a network of persons involved in monitoring and an online database.

**b. Co-management**

Do you have co-management arrangements in place for your marine reserves? If so, start thinking about what they are, and what works for you in preparation for workshop and field trip discussions

on this topic. There will be some interactive exercises to help guide your thinking and possible way forward.

**4. Is there any other topic you would like to raise during the meeting?**

YES  NO

If yes, please indicate which topic and the reason why you would like to raise it:
